Children names (listed under parents): _____

If you would like to list your email, do so with Tidbits (our community listserv) at foxhillswest.org

For your convenience our website also has direct links to the county's trash collection schedule, storm plowing progress, emergency alert program, 311 services, schools, and more.

Your Fox Hills West Citizens Association is an all-volunteer organization to which Pulte Corporation, our developer and builder, handed over the responsibility for managing the covenants that are a part of every resident's deed. Our goal is to keep Fox Hills West a highly desirable, diverse and attractive community so as to preserve its enjoyment and value.

Your association maintains our entrance, runs our Halloween Party, annual community garage sale, our foxhillswest.org website, Tidbits community email, our directory, The Huntsman newsletter and other programs.

Please feel comfortable here, get to know your neighbors and inquire about any activities you would like to participate in or help organize. We welcome your ideas and initiatives. Feel free to contact any neighbor/officer you see listed in The Huntsman or in foxhillswest.org with your thoughts, offers, ideas or suggestions, or write them here:

Note: The fox was drawn by Jesse Mann, a FHW neighbor.
